

PLATINUM TOTAL SATISFACTION GUARANTEE

PATIENT SATISFACTION IS OUR PRIORITY!

EYE CARE PROFESSIONAL

Alcon wants your patients to See, Look and Feel their best! You can prescribe Alcon contact lenses with confidence knowing that if your patients are not 100% satisfied with the Alcon contact lenses they purchased from you, they can return their remaining supply of Alcon lenses (both opened and unopened boxes) to you within sixty (60) days of purchase in exchange for a full refund (or credit towards new lenses). You, as the eye care professional, will receive a credit from Alcon (or your authorized Alcon distributor) in exchange for the return of your patient's remaining supply.* In addition, your patient is eligible to receive a reimbursement from Alcon for the cost of their original fitting fee (up to \$60) in the form of an Alcon VISA® prepaid card.

You will receive a credit from Alcon (or your authorized Alcon distributor) for the return of your patient's remaining supply of lenses under the program if:

- (A) your patient was fit for the first time in any of Alcon's AIR OPTIX®, DAILIES®, or PRECISION1® branded lens products;
- (B) your patient returned all lenses (in opened and/or unopened boxes) remaining from the original Alcon lens purchase within sixty (60) days of the original purchase. [NOTE: The returned lenses should be in a quantity that reasonably reflects the original purchase less the quantity of lenses representing up to sixty (60) days of wear];
- (C) you provided your patient a refund or credit for the total purchase price of the Alcon contact lenses; and
- (D) you return all unopened, unexpired product received from your patient to your original place of purchase, either Alcon or an Alcon-authorized distributor, within 120 days from the date of the patient's original purchase, together with this completed form, invoice number, and a copy of your patient's receipt evidencing the purchase and return. If returning to Alcon, you do not need to complete Alcon's Product Return Form.
